

Take me back to the best boy I know

Silly little girl.
You think you have a chance
to win him back,
something you deserve.
But he's already made up his mind,
that's what I see, when I observe.

People say I should fight for what I want,
And people say I should move on.
Don't know what to do,
I don't have a clue.
Just tell me what it takes to move on,
maybe I can still change the road I'm on.

'Cause the last time I saw you, you were
smiling,
then we said goodbye.
But since then, I couldn't stop thinking about
those eyes.
Yeah your brown eyes are my blue skies.
Yes it's true.

Months had passed,
still it seems like yesterday we just laughed.
We talked on Facebook for a while,
but then there was no reply.
I still hope for another message,
but I guess that was goodbye.

Months had passed,
still somehow, every day you cross my mind.
I just wish I could tell you more, just wish to
rewind.
Months had passed,
still somehow you cross my mind every day.
I just wish I could see you again, someday. Any
day.

'Cause the last time I saw you, you were
smiling,
then we said goodbye.
But since then, I couldn't stop thinking about
those eyes.
Yeah your brown eyes are my blue skies.
Yes it's true.

Oh boy how I miss you,
I miss your laugh and I miss your smile.
I still remember it clearly,
although it's been a while.

I miss how we used to dance
and how we used to sing.
I miss how we used to talk,
'bout pretty much everything.

It's crazy how someone you know on such a
short notice,
can make such an impact on your life.
'Cause you were so nice, oh yes you were.
You were the awesomest person I've ever
met.
Yeah, that's true too, I bet.

No one can really understand how I feel.
Songs are definitely too short,
but at least they're real.

At the end of the day,
I'll probably never see you again.
Or maybe if I will, I don't really know when.
Me missing you is probably just like stars
shining above us.
Infinite.
Yes it's true.

Oh boy I wish you the best in your life.
'Cause if someone deserves it, it's you.
Yeah, that's true, too.
